Re: *In Re: Terrorist Attacks on September 11, 2001*, 03 MDL 1570 (GBD) (SN)
 Partial Final Judgments on Punitive Damages

Dear Judge Netburn:

The Plaintiffs' Executive Committees ("PECs") respectfully request a two-week extension, from September 27, 2024 to October 11, 2024, for the PECs to provide the input requested in the Court's order at ECF No. 10350 (Sept. 12, 2024). In that order, the Court sought the PECs' input regarding (1) whether now is the appropriate time for the Court to begin considering motions for punitive damages and/or final judgments; and (2) if so, what information should be before the Court in order for the Court to properly adjudicate such motions, and also (3) how best to administer such motion practice. The PECs have found the additional time to be necessary to coordinate the views of the various Plaintiffs counsel into a consolidated view for recommendation to the Court. In addition, during the period of coordination, several attorneys engaged in the dialogue are traveling and preparing for Second Circuit arguments.

Respectfully submitted,

MOTLEY RICE LLC
